

Become A Day Sponsor

Sponsoring a day at the Compassion Home is one of the most truly personal ways you can support the mission; to provide compassionate loving support to the terminally ill in a peaceful, comfortable home setting while caring for the physical, spiritual and emotional needs of our guests and their families. A Day Sponsorship allows you to honor a spouse, friend or loved one, for any reason or to mark any occasion.

Your Day Sponsorship includes a customized spot on our web site and Facebook page. You provide the information you would like to share about your loved one. If giving in memory of someone you help keep their memory alive by focusing on the beauty of their life. If sharing in honor of someone you can share the reasons you are honoring your loved one. You also get to choose the day you'd like to sponsor, perhaps a birthday or the day they left this earth to continue their journey.

Your Day Sponsor gift of \$60.00 per month (\$720 per year) represents what it costs to operate the Compassion Home each day. Day Sponsorship is the best way to keep the mission sustainable for years to come. We are continually amazed at how the mission blesses so many; our guests and their families, the staff, volunteers, partners and the entire community as we provide quality end of life care options.

When you sponsor a day at the Compassion Home, you allow the mission to continue. You also bestow a well-worded blessing upon someone you love -- for all to see. The Compassion Home is a grass roots organization, 100% of sponsorship money stays in Newaygo County and goes directly to serving those in need. The Compassion Home has been able to serve because you serve by providing financial support. It takes a community....and we thank you for partnering with us.
